

UKAHPP REGISTER OF HUMANISTIC PSYCHOTHERAPISTS AND PSYCHOTHERAPEUTIC COUNSELLORS

As at 5th April 2024

In accordance with Professional Standards Authority (PSA) Standard 10b all Accredited Registers are required to maintain 'a register that is accurate, easily accessible to the public and supports all those using it to make informed decisions - the register must be available online and reasonably available in other formats to ensure public accessibility'. For reasons unknown the PSA has not enforced this standard and UKAHPP is the only counselling and psychotherapy Accredited Register that complies with this requirement.

SECTION 1: REGISTERED MEMBERS

This section includes all UKAHPP Registered and Accredited Members. UKAHPP offers a range of registration and accreditation categories ranging from Entry Level Registration to Higher Psychotherapy Accreditation. The 'Membership' section of the UKAHPP website offers an outline of the requirements and academic standard associated with each category of registration and accreditation. Additional information the training and service provided by a registrant is available on via the UKAHPP 'Find a Therapist' website facility.
